

THE 1964 VOYAGER

Ed Hebelkin

Preface

This book will forever call to mind the wonderful things we did, the splendid times we had, the many personalities we knew and loved, and the great joys we shared. When the joys of youth have been silently stripped from us by the ever moving hands of time, we will be able to relive them and find pleasures in their memories through the pages of this 1964 VOYAGER.

Art Work

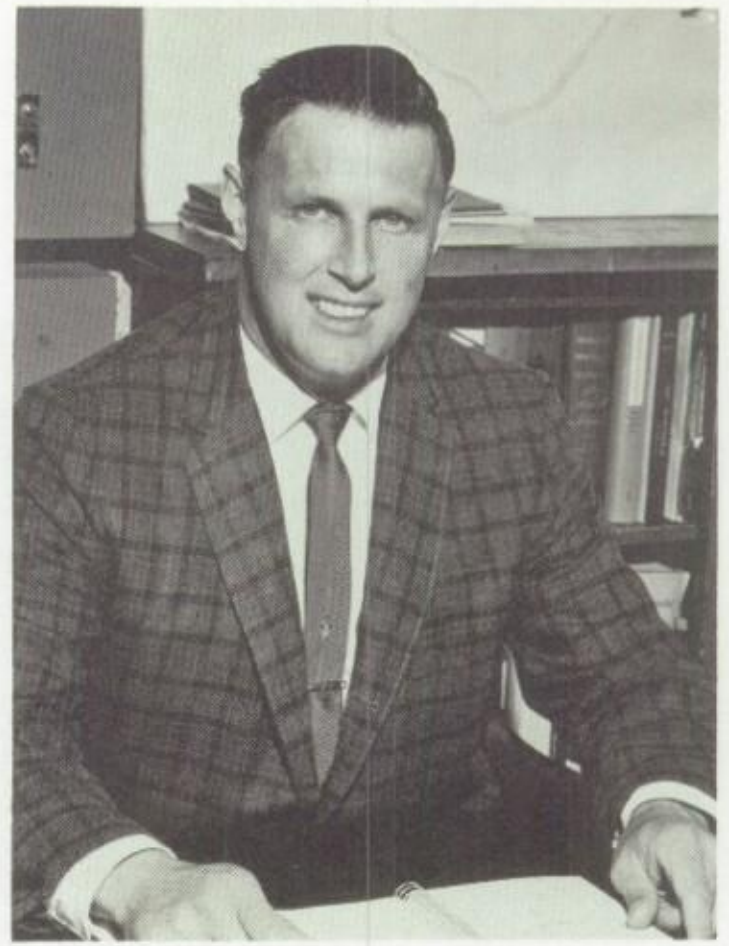

As each day passes and the time for graduation approaches, we, the seniors, begin to feel a deeper appreciation for those around us who have helped us throughout the years.

Foremost in our minds is Mr. L. D. Kolar, who for many years has contributed to the educational advancement of this area. Through his understanding nature, integrity, competency and dependability he has gained many friends and has commanded the respect and admiration of the students.

It is only fitting that the senior class of 1964 dedicate its annual to him, who for so long has played so active a part in our school and in our lives.

Student Council

The Student Council is the voice of the students in the operation of the school. They promote social activities, serve as a bridge between faculty and students, strive for good school spirit, and act on any problems which they feel are within their province. One of their projects is to supervise the homecoming. Remember the real fine homecoming we had this year? The Student Council of our school is living proof that we sincerely believe in and live by the democratic process.

During the past year the band has participated in many events. In April the band students entered the Solo & Ensemble Festival at Platteville State College. 53 solos and 35 ensembles entered the contest. The ratings were as follows: Solos: 9-I; 31-II; 11-III; 2-IV; Ensembles: 6-I; 13-II; 15-III; 1-IV. Of these ratings, we took five events to the State Music Festival at Madison. The students that went to State were: Mary Lee Smith, Cynthia Hanson, Robert Everson, Ruth Ann Heberlein, and Carol Solem. We received three I ratings and two II ratings. In May the Senior and Cadet Bands went to Lancaster for the Band Festival. The Senior Band received a II in Concert Band, II in Sight Reading, and a I in Marching. These were all Class B. events. The Cadet Band received a II in Concert and an I in Marching in Class D. On July 6, we traveled to Dubuque, Iowa to march in the Julien Dubuque Summer Carnival Parade and received the 1st Place Trophy in Class B. On July 21, we represented the Whitish-Funk Post in the State Legion Convention Parade at Madison. August 2 was a big day for the community. "Carl Bahl Day" festivities were held with the Senior and Cadet Bands marching in the parade. Finally, came the moment we'd been waiting for--our trip to the State Fair. In September we made a guest appearance at the Grant County Fair. In October we traveled to Madison for the University of Wisconsin's Band Day and to Platteville to march in the College's Homecoming parade. We also presented four half-time shows at the football games with a combination of Senior and Cadet Bands for the Homecoming half-time. Now we settled down to a more serious vein of work with the Stage Band playing for the All School Play. In December we presented the 36th Annual Christmas Concert with the combination of the entire Music Department. The Music Department is well represented in our events with three bands: The Prep Band, Cadet Band, and Senior Band. There are over 200 students in the instrumental program giving a good representation of students throughout the entire school system.

FAREWELL

These halls were here to welcome us
our first day of high school,

They were also here Commencement
Night, to bid us fair adieu,

And here they will remain ever wait-
ing for the

Next class to pass through--
left only with fond memories

Which we cannot renew.

Though we may travel far and wide
in seeking our life's goal,

May we turn back and look with
pride at our days spent

At FENNIMORE HIGH SCHOOL!

Remember the
 American
 Revolution
 and all we
 have
 gained
 from it.

Your friend,
Brian

Ed,

It has been very nice
knowing you and you
add alot to the chorus.
Alot of Luck to you
for a long time.

Jim
(Drive)

 Remember all the time
 in Stage Band when

 method of playing -
 when she turned up in
 a tight skirt that was
 a laugh to see - Stay
 good and don't grow
 any taller. This is
 such neat writing, I
 just have to brag. Hope
 you can read - John really
 is a nice guy. He is really
 in the class I and him - your
 class too even. Best of luck next

 seniority take hold over you like

Ed,

This has been another year filled with memories. I'll never forget the many nice things you have done for me. I really have enjoyed band and English with you. I am looking forward to marching band and those band trips with you.

It's too bad that I didn't have chemistry this year so we could have studied together. Your next year you can help me thought, so maybe it worked out better that way.

Good luck to a friend.

My days in this

I don't know whether
to be happy or sad.
Good luck to a won-
derful Forensic Con-
testant.

Comme

ed, These last three years have really been a
lot of fun. Sometimes I think they're trying to
kill us off, but all in all everything's been okay.
I'll never forget all the fun we've had in band
and chorus? Thank you for all the advice you
gave me at the beginning of this year about
being a good president. Sometimes I get discouraged.
Remember the time you took all of us girls to
the dance. It was kind of crowded wasn't it?
I hope we get prom ready in time. I think
we will. I know we'll have a good time.
You're a lot of fun, Eddy. Next year will be
a riot - all that money we're going to make for
the class trip. Good luck!
